

Leyden Township's Annual Food & Toy Drive Year-Round Giving Program

Each year the Leyden Township Administration reaches out to the community for assistance in providing emergency funds and services to residents of Leyden Township in need. These residents do not always meet the eligibility requirements for General Assistance or Human Services. Last year we assisted over 200 households in Leyden Township. The need for this added assistance peaks during the holiday season.

We are appealing to you because to succeed, we need your help. We depend upon contributions from the community to finance this program. If you would like to contribute to this worthy program, you can do so in a variety of ways. We are accepting donations of unexpired non-perishable food items, new clothes, toiletries, personal items, new toys and monetary donations (please make all monetary donations payable to "Leyden Township").

Your generosity is greatly appreciated by the Township and will directly benefit those families who are most in need. We've provided a list of items needed below.
