## WHAT'S NEW!

In addition to Energy-Saving Resources, ComEd offers special programs to help residential and business customers save money and energy.

## 3 Simple Actions to Save Energy

1. Turn off the lights when you leave a room.
2. Set your thermostat 10 degrees higher during the summer and 10 degrees lower during the winter when you leave your home and before going to sleep.
3. Replace traditional light bulbs with energy-efficient light bulbs.
